

Time	Activity	Presenter/Facilitator
9:30 – 10:00am	Research and practice overview presentation	Daniel Bugler, REL West
<i>Bugler will provide a brief presentation outlining current research, challenges, and potential strategies for implementation and evaluation of teacher effectiveness systems, including options and potential strategies states might consider in providing guidance and assistance to LEAs to meet the requirements of state frameworks. Challenges and questions raised in pre-meeting surveys and Day One working sessions with states will also be addressed, followed by Q & A.</i>		
10:00 – 10:30am	Practitioner examples presentation	Reino Makkonen, REL West
<i>Makkonen will share examples of successful or emerging systems for evaluating state educator evaluation systems, including how to develop and measure short- and long-term goals, and effective collection and use of formative and summative data, followed by Q & A.</i>		
10:30 – 11:15	Cross-state share out and discussion	Bugler and Makkonen
<i>Stat representatives will share how they are planning to address this component and how the information presented can inform their plans.</i>		
11:15 – 11:30	Individual/small group reflection	Bugler and Makkonen
<i>Small groups made up of role-alike state team members will note key ideas they will take back to the afternoon working session.</i>
